The Haunted Pumpkin kept all its
haunted candies to itself. But a sneaky
monkey in a Dracula costume showed
up with his Halloween bucket... and
took them all!

The monkey ran through town, jumping
and laughing, tossing candies all over
town. But the Haunted Pumpkin wants
to recover them and can track them
down by their smell.

If you have any of those haunted
candies, get rid of them before the
Haunted Pumpkin finds you!

GAME OBJECTIVE

Get rid of all the cards in your hand.

GAME SETUP

Shuffle all the Cards and Deal them Face
Down evenly among all Players. Players
must hold their cards face down all the time.

Leave space in
the center of
the table for the
Discard Pile.

HOW TO PLAY

The player to the left of the dealer goes first
and the game continues clockwise. Players
must play their cards at a fast, steady pace.

HAUNTED SEQUENCE

On their turn, Players must quickly turn over
the top card from their hand and place it FACE
UP in the Discard Pile saying one part of the
Haunted Sequence "1, 2, 3, MONKEY FLIP".

The first player says "1"
and places one card on
the Discard Pile.

The next player says "2"
and places one card on
the Discard Pile.

The following player says
"3" and places one card
on the Discard Pile.

The next player says
"MONKEY FLIP" and
places one card on the
Discard Pile.

After "MONKEY FLIP", the sequence starts again at
"1" with the next player until it gets interrupted
by a SLAP event.

SLAP EVENT!

• When two of the same candies appear
consecutively at any moment in the game, no
matter which part of the Haunted Sequence they
appear in, players must SLAP the Discard Pile.

• When "MONKEY FLIP" is being said and a
Sneaky Monkey appears, players must SLAP the
Discard Pile.

• When three Different Candies appear in a row
(in any order) at any moment in the game, players
must Shout "TRICK OR TREAT" and SLAP the
Discard Pile.

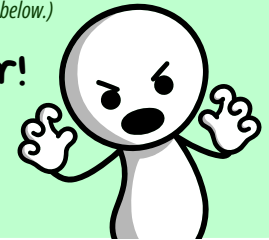

• When the Haunted Pumpkin
appears (at any time during the game),
all players must do the Haunted
Pumpkin Growl to confuse it and
avoid getting caught. Then, they
must SLAP the Discard Pile.

HAUNTED PUMPKIN GROWL

Raise both hands next to your head, curl your
fingers like claws, and growl like a monster.
(See the graphic below.)

Grrr!

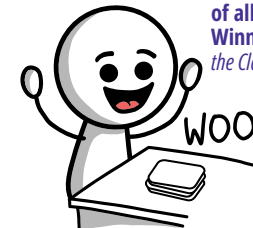

The last player to SLAP the Discard Pile in any of
the SLAP Events takes all the cards from the Pile,
puts them on the bottom of their cards, and they
start again the Haunted Sequence at "1".

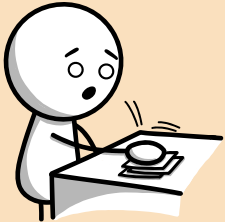

WINNING THE GAME

The first player to run out
of all their cards will be the
Winner. (See Exception #1 in
the Clarifying Doubts Section)

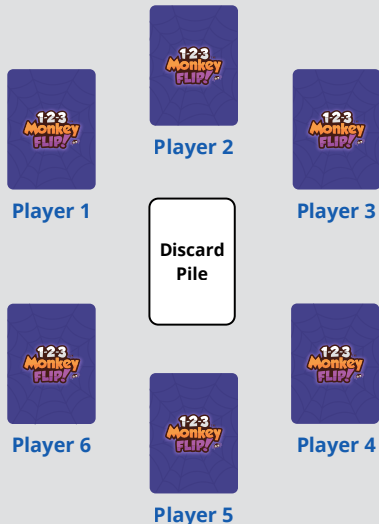

MISTAKES AND PENALTIES

- When the Haunted Pumpkin appears, if you SLAP the Discard Pile before doing the Growl, you may immediately perform the Haunted Pumpkin Growl and SLAP again. As long as you are not the last player to SLAP the Discard Pile, you do not have to take all the cards.
- When a player SLAPS the Discard Pile when there is no SLAP event, they must take all the cards from the pile.

- When a player says the wrong word during the Haunted Sequence ("1", "2", "3", "MONKEY FLIP"), they must take all the cards from the pile.

CLARIFYING DOUBTS

- If your final card causes a SLAP event, but you're the last player to SLAP the Discard Pile, do you still win?
No. You pick up the cards from the Discard Pile and continue playing.
- If two Sneaky Monkeys appear in a row, does that cause a SLAP event?
No, two consecutive Sneaky Monkeys do not cause a SLAP event, only if a Sneaky Monkey appears exactly when 'Monkey FLIP' is said.
- If someone places a card on the Discard Pile after a SLAP event, does it cancel the SLAP event?
No, the SLAP event is still valid, and everyone must react to it as usual. The player who placed the extra card must take it back.
